Fundraiser Movie

**Despicable Me 2**
On Wednesday 19th June we are having a pre-release Fundraising Event at Event Cinemas in Shellharbour. Tickets are $15 per person and every child must be accompanied by an adult. Tickets are now on sale and are available from the front office. If you send in $ for tickets it must be in an appropriately labelled envelope and placed in the yellow box in the office. The event has a 6 for 6:30 start. On the 19th June you hand the tickets from school in at the Candy Bar to receive your cinema tickets.

We hope you and your family and friends will support this event. Monies raised will be used to purchase resources for our school.

**Reporting**
Assessments in Kindergarten are ongoing and inform our teaching. By the end of week 5 this term teachers will have written their draft reports for their classes.

In Kindergarten our report is set out in a way that allows us to provide written comments for all subject areas. We begin by choosing the outcomes we will be teaching and assessing for the purpose of reporting.

In the English section of the report there is a record of how many sounds a student is able to hear and record. There are 26 letters in the alphabet but many more sounds, for example c can sound like K or S, ch together makes its own sound. In our 10 weekly assessments for L3 data we assess students’ abilities to hear and record up to 37 sounds. In the English section you will also find the number of words each student is able to independently read and independently write. We base this assessment on the 54 Kindergarten sight words. This list was on the back of Week 3’s Kindergarten newsletter.

All Kindergarten students are expected to know the names of the letters of the alphabet in random order by now. They should also know most of their letter sounds by the end of this term.
